

Skagway, Alaska

THE DAILY

April 30, 2024

Tonight's Dress: Casual

Gateway to the Klondike

At the peak of the Gold Rush, Skagway was the largest city in Alaska with over 10,000 residents, about ten times more than today. This area is also where Jack London got his inspiration for *Call of the Wild* while seeking his fortunes and where John W. Nordstrom earned enough from a gold-mine stake to open his first department store in Seattle in 1901.

Going Ashore

When going ashore, please remember to carry your stateroom keycard and a government issued photo ID.

Mandatory Port Shuttle

The port of Skagway does not allow pedestrian traffic on the pier, therefore complimentary shuttles will be available to take you from the ship to the marina. Shuttles will run continuously throughout the day. For Holland America Shore Excursions, please be at the designated meeting place at the time listed on the ticket in your Navigator wallet.
