

Welcome to Glacier Bay

We hope you enjoy the special presentations and narrations throughout the day to enhance your Glacier Bay National Park experience. Join us in our commitment to keep the park beautiful and pristine by disposing of trash and securing loose articles of clothing before stepping outside.

Please Do Not Feed the Wildlife

The feeding of wildlife including sea birds is strictly prohibited as this can cause dependency and upset the delicate balance of nature. In addition, some food items may cause illness or disease, thereby further disrupting the ecological system.
