Alaska's Capital

Juneau became the territorial capital of Alaska in 1906 and has been the state capital since January 3, 1959 when Alaska became the 49th state in the US. What makes Juneau even more unique is that there are no roads connecting it to the rest of Alaska or North America. The only way to get here is by air or by sea.

Going Ashore in Juneau

We will be docking at South Franklin Street today. When going ashore, please remember to carry your stateroom keycard and a government issued photo ID.

Alaska Local Sales Tax

While in or approaching Alaskan ports, local sales tax will be applied as required on all beverage, laundry, restaurant, and photo sales. Sales tax percentages vary.
