Tonight's Attire: Casual

Cruising The Inside Passage

The Inside Passage is a great place for some last-minute wildlife spotting. It's not uncommon to see pods of Pacific White-Sided dolphin around the northeast corner of Vancouver island. The island also has the largest concentration of cougars in all of North America, but sightings are rare as they prefer dense forest and mountains.

Today's Highlights

Tech for Travelers: Roam Abroad with eSims

9:00am

Explorer's Lounge, 2
